Additional Notes: Requires a 64-bit processor and operating system

English,French,German,Russian,Simplified Chinese

WHAT THE \u2665\u2665\u2665\u2665!!

Yes this is a negative review. Why the \u2665\u2665\u2665\u2665 you make multiplayer coop scenario's like this DLC, if u can only invite from your friendlist and the game doesnt appear in the multiplayer game list.

I bought it for this, going to ask for a refund.
